## Our tables for your every need

Whether a space is for working, creating, lounging or dining our range of tables covers your every need. With functionality in mind we aim to create furniture with a playful design that make spaces come to life. Our tables are characterised by their sophisticated design, smart solutions and durable build. Furthermore, all RBM tables are sustainably manufactured with minimal environmental impact.

## About us

RBM is a furniture brand of Scandinavian Business Seating and has a history rooted in the Danish design tradition. For us it is important to exceed our customer's expectations when it comes to quality, form and functionality. That is why RBM furniture meets the highest quality certification and subsequently will last for many years.

# Creative Spaces

Humans are creative beings. We thrive when we get to express ourselves creatively whether we're doing it alone or in a group. An environment that lets our spirits be free and is flexible to our needs is the perfect stage for endless creative possibilities.

TABLE **RBM Twisted Little Star**  
Table top with Polar White laminate. Dark stained oak legs.

CHAIR **RBM Noor 6080**  
Polypropylene shell in Vanilla. Seat frame in polished aluminium. Dark stained wooden legs.

## RBM u-Connect

Can you imagine a table that can be folded, stacked and easily stowed away when not in use? A table that is lightweight and has wheels for easy transportation. The RBM u-Connect is all of that and more. Aside from being practical and functional it also has a contemporary design that is easy to love.

TABLE **RBM u-Connect**  
Table top with Polar White laminate and black ABS table edge band,  
160x70 cm. Black painted legs.

CHAIR **RBM Noor 6070**  
Polypropylene shell in Clay. Footbase in black painted aluminium.

## RBM Allround

The RBM Allround table is all about versatility. It will work in most environments and for any activity whether it's in the meeting area or the school project room. The design is sleek and simple but far from dull. With several sizes, shapes and functions it is a real star in its class.

**TABLE RBM Allround**
